

### **JSW Group:**

JSW Group is a US\$ 11 billion fastest-growing conglomerate and has diversified business interests across various sectors like Steel, Energy, Infrastructure, Cement, Ventures and Sports, with strong presence in multiple locations across India, US, South America and Africa. With a workforce of over 40,000 individuals representing multiple nationalities, JSW Group is known to be the “strategic first mover” to venture away from status quo and drive operational excellence along with tremendous growth in business, both value- and volume-wise, thereby contributing to the nation’s development through world-class product and service offerings to the esteemed customers.

### **JSW Steel:**

JSW Group’s foray into steel manufacturing began in 1982, when it set up the Jindal Iron and Steel Company with its first steel plant at Vasind near Mumbai. The next two decades saw significant expansion and several acquisitions, following the merger of Jindal Iron and Steel Co (JISCO) and Jindal Vijayanagar Steel Ltd (JVSL) in 2005.

Today, the flagship company of JSW Group, JSW Steel is one of India's leading integrated steel manufacturers with a capacity of 18 MTPA. **It is one of the fastest growing companies in India with footprint in over 100 countries.** With state of the art manufacturing facilities located in Karnataka, Tamil Nadu and Maharashtra, **it is recognised for its innovation and quality.** JSW offers a wide gamut of steel products that include Hot Rolled, Cold Rolled, Bare & Pre-Painted Galvanised & Galvalume, TMT Rebars, Wire Rods and Special Steel. To stay on the leading edge of technical advancement, JSW Steel has entered into technological collaboration with JFE Steel Corp. Japan, for manufacturing high strength & advanced high strength steel for automobile sector. JSW Steel also entered into a joint venture with Marubeni-Itochu Steel Inc., Tokyo, to set up a state-of-the-art steel processing centers. To strengthen its global network, the Company has acquired a Pipe and Plate making steel mill in Baytown, Texas in USA. World Steel Dynamics has ranked JSW Steel as the World’s 6th most competitive steel maker for the year FY17. Towards the end of next decade, JSW Steel aims to produce 40 million ton of steel annually, in line with the National Steel Policy 2017 - vision of 300 MTPA of Steel by 2030.

JSW Steel is recognised worldwide as a purveyor of high-end, value-added steel. The following images depict the products
